City of Newcastle  
new lambton local centre  
Orchardtown Rd Newcastle

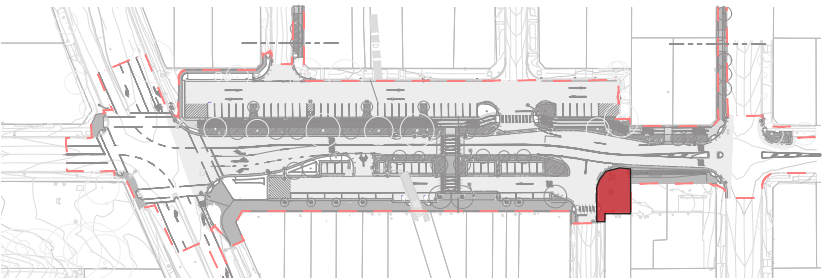

# corner of Myra Street - option A

new lambton local centre

L01

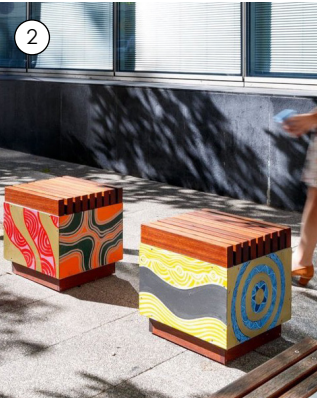

LANDSCAPE CONCEPT PLAN

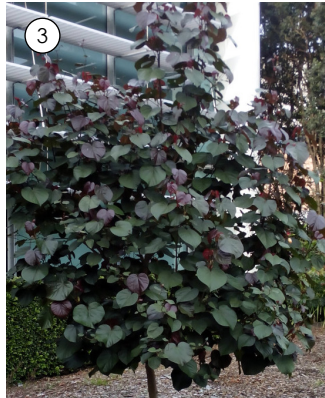

KEY PLAN

Seating material | ModWood with natural grain finish

Street furniture with artworks at sides

## DESIGN NOTES

- Two tiered seating outdoor library integrated with raised planter 900mm height, to create buffer between existing carpark and pedestrian plaza.
- The opportunity to create some artworks at the side of seating for place making.
- Hibiscus tiliaceus 'Rubra' as in ground shade trees, selected from Council Street Tree list, tying scheme to Carnley Avenue
- Flexible space for community events under shade structure; also provide shade for pedestrian.
- Social interacting seating arrangement with armrests and in ground garden bed, and trees with structural soil @ 200L.
- Timber slat table and bench seats for formal seating area
- Water bubbler with dog bubbler and bike racks.

Table furniture only

## LEGEND

- Proposed tree (200L)
- Mass planting
- AC overlay as per AECOM DD
- Concrete Ashlar
- Paving type 4 Cobblestones
- Seating area
- Shelter
- Community notice board
- Overhead electricity lines
- Underground water line
- Underground gas line

LANDSCAPE CONCEPT PLAN

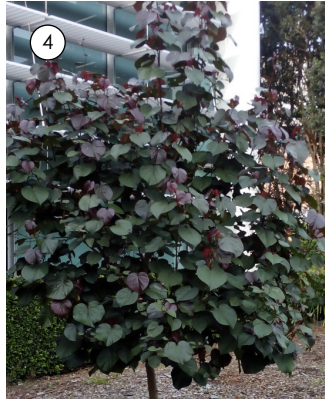

KEY PLAN

Seating material | ModWood with natural grain finish

## DESIGN NOTES

- Curved seat H450mm with in ground garden bed, to create buffer between existing carpark and pedestrian plaza.
- Flexible space for community events. Paving to match Carnley Avenue theming, staggered, contrasting dark and light grey pavers to create diversity in pedestrian footways.
- Hibiscus tiliaceus 'Rubra' as potted shade trees, selected from Council Street Tree list
- Water bubbler with dog bubbler and bike racks.
- Cafe tables and seating. Green finish to compliment colour of snake seating wall
- Quatro Design 'Alfresco' seating bench with central planter, to include armrests.
- Trees in ground provide natural shade.

Planter with surround seating and armrests

LANDSCAPE CONCEPT PLAN

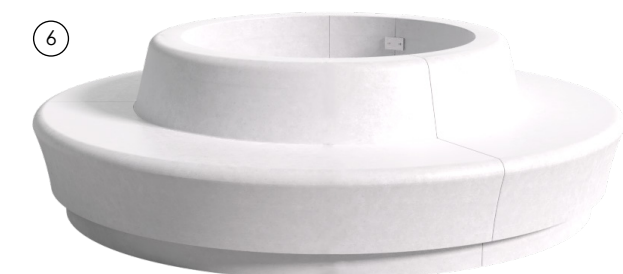

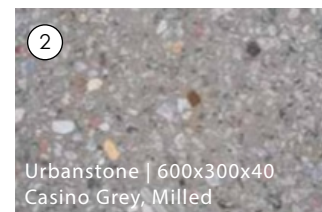

KEY PLAN

## LEGEND

## DESIGN NOTES

- ① Inspired by Blackbutt Nature Reserve nearby, snake shaped seating wall - deepening green coloured bricks with fully glazed finish for placemaking.
- ② Flexible space for community events. Carrying on them of snake wall, staggered, contrasting dark and light grey pavers to reflect snake "scales" and create diversity in pedestrian footways.
- ③ Hibiscus tiliaceus 'Rubra' as potted shade trees, selected from Council Street Tree list tying scheme to Myra Street corner
- ④ Water bubbler with dog bubbler and bike racks.
- ⑤ Cafe tables and seating. Green finish to compliment colour of snake seating wall
- ⑥ Quatro Design 'Alfresco' seating bench with central planter, to include armrests.
- ⑦ Trees in ground provide natural shade.
