

Site Plan N.T.S.

Existing Maryland dog off-leash area.

### City of Newcastle adopted the Dogs In Open Space Plan in 2019.

The recommendation for Maryland Dog Park:

Establish a fenced dog park that is designed to allow for the Maryland Creek realignment. Undertake site enhancements including increased trees, seating, shelter and a circulation pathway. The dog park is ideally around 0.5ha.

Refer to SK2 for Maryland Dog Park Concept.

Proposed seat table

Proposed sandstone garden bed and informal seats

Proposed shelter
